"TO BRING TOGETHER THE RECORDS OF THE PAST AND TO HOUSE THEM IN BUILDINGS WHERE THEY WILL BE PRESERVED FOR THE USE OF MEN LIVING IN THE FUTURE, A NATION MUST BELIEVE IN THREE THINGS. IT MUST BELIEVE IN THE PAST. IT MUST BELIEVE IN THE FUTURE. IT MUST, ABOVE ALL, BELIEVE IN THE CAPACITY OF ITS PEOPLE SO TO LEARN FROM THE PAST THAT THEY CAN GAIN IN JUDGMENT FOR THE CREATION OF THE FUTURE."

FRANKLIN DELANO ROOSEVELT

## PREFACE

The present volume is one of a series of five publications covering the vital statistics records of religious organizations in New York City - one volume being devoted to each borough. The volumes are primarily designed as an aid to governmental agencies or private individuals interested in locating corroborative proofs of the facts of birth or marital status as required for military service or engagement in war industry.

A comparison of the date-spans of the records in this volume with the date-spans of their respective churches will reveal that all churches have not been equally fortunate in keeping or preserving their records. It will also be noted that a few churches have records antedating their date of organization. For instance, the records of the Church of St. Mary of the Assumption (entry 41) cover the period (1854-76) of its pre-organizational status as a mission of St. Peter's Church (entry 37), while the preorganizational records of St. Teresa's Church (entry 72) are of services held in a private residence before the church was officially organized.

In the Preface and Explanatory Notes of the first volume of this series, covering the church vital statistics of the Borough of the Bronx, the reader will find a brief account of the activities of the Historical Records Survey, an explanation of the indexes and the form of the entries, a key to the symbols used to designate custodial depositories, and a list of denominational depositories which are known to have vital statistics records of local churches and institutions. A brief Introduction reviews the history of the legislative requirements for the recording of vital statistics in New York City.

Inquiries concerning this or other Historical Records Survey publications should be addressed to Irving V. A. Huie, New York City Work Projects Administrator, 70 Columbus Avenue, New York, N. Y.
